

**PARTICIPATION AND INTEGRATION POLICY**

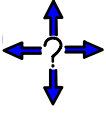

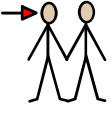

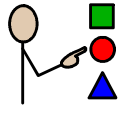

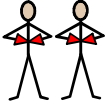

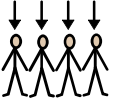

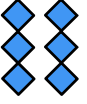

Everyone has the right to feel valued and to participate in life

the way they choose.

At Lift Up Voices, we think everyone should have the

same rights and opportunities.

We like being part of a community and helping people to make

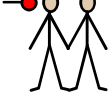

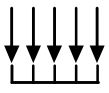

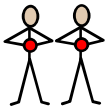

friends. We think everyone should be able to decide how they

would like to live their life.

All

our

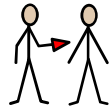

programs

are

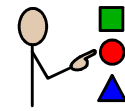

flexible.

You

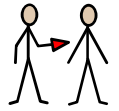

get to

choose

what

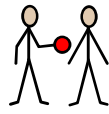

you

would

like

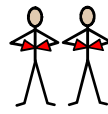

to do in

your

sessions.

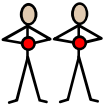

We

like

to encourage

our

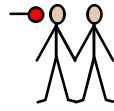

participants

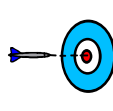

to

achieve

their

goals

and

dreams.
