

DIGNITY OF RISK AND DUTY OF CARE POLICY

It is important that people get to make their own

decisions.

 Lift  Up  Voices  supports  people  making  their own  choices,

even if  there  might be a  small  risk. But  we  will

 work  with  you  and  your  team  to  keep  you  safe.

If  you  would  like  to  read  the  full  policy,  it is

 on  our  website.
